line 14, insert --the aforementioned-- before "background"; and

line 14, delete "above".

IN THE CLAIMS:

Please cancel Claims 10, 11, and 12, amend Claims 2-9 and 13-18 as follows, and add the following new claims 19-30.

2. (Twice Amended) A virtual image generation apparatus which generates images observed from a viewpoint to be displayed on a monitor, said images including an operator controlled object moving relative to virtual terrain objects, said operator-controlled object and said terrain objects being defined within a [virtually defined] three-dimensional virtual space [virtual images of subjects present in said virtual space as
